**Date: October 30, 2009 at 4:00 pm**  
**For Immediate Release**

The Otsego County Department of Health is offering an H1N1 Influenza clinic to **Otsego County residents** in the following priority groups. There are limited doses of vaccine (Nasal and Injectable) available for vaccination. Given the limited number of doses available it is necessary to schedule appointments for this clinic. Please call (607) 547-6458 between 9am – 4 pm to schedule your appointment.

- Pregnant women
- Household contacts and caregivers for children younger than 6 months of age
- Healthcare and emergency medical service workers
- All people from 3 through 24 years of age
- Persons aged 25-64 years who have health conditions including chronic lung problems such as asthma, metabolic diseases such as diabetes, heart disease, kidney disease, liver disease, and certain blood diseases; or who have a lowered immune system from medications or chronic health conditions such as HIV.
