### **H1N1 Clinic**

The Otsego County Department of Health has rescheduled the Gilbertsville Mt.Upton School clinic due to school closing on 12/09/2009. It has been rescheduled for Thursday 12/17/2009 from 4:00 pm -7:00 pm.

The H1N1 Influenza clinic scheduled above is being offered to students and siblings between the ages of 6 months and 18 years of age.

If you are a home school student, head start or private school student, please plan to attend the clinic that is scheduled for the district that you reside in.
