Mass Gatherings & Travel Information

Mass Gatherings

We recognize that this an important time of year for major milestones and special occasions in peoples lives (Graduations, weddings, fairs, reunions, etc.) and that these events are really difficult to miss. It is important to stay home if our are ill. The Otsego County Deartment of Health is advising you not to attend if you have a temperature of 100° F or greater and other influenza symptoms.

Travel

At this time, there are no travel restrictions declared. Travelers should check the CDC travelers health web site @ www.cdc.gov/travel for more information and latest updates on US travel.

If you are traveling out of the country you should also check the website of the embassy of the country to which you are traveling for the latest updates on entry or exit screening procedures which may impact your travel.
