

SKYWARN SPOTTER TRAINING

On April 6th 2005 Otsego County became the ninth **StormReady** County in New York State.

Otsego County Office of Emergency Services sponsors BASIC & ADVANCED SKYWARN SPOTTERS TRAINING conducted by the National Weather Service. Training is provided for 911 Firemen, EMS Providers, Dispatchers, Law Enforcement Personnel, and Amateur Radio Operators.

As part of our **StormReady** obligation, we are also offering this training to the General Public for anyone who is interested in being a SKYWARN Storm Spotter for Otsego County and the National Weather Service.

WATCH FOR TRAINING DATES & TIMES

**note: You must have attended the Basic Training before you can attend the Advanced Training.*
