Candidates whose situation is described in categories 1-6 should notify the Otsego County Personnel Department as soon as possible before the date of the examination. Candidates who are unable to take the scheduled examination due to a medical emergency, an accident, or emergency weather conditions must notify this office no later than the Monday morning following the regular examination date.

All requests for admission to an examination on an alternate test date must be accompanied by the appropriate documentation verifying the situation. The determination as to whether or not a candidate meets the requirement for being afforded the opportunity to take an examination on an alternate test date rests with the Personnel Officer.

Candidates approved to take an examination on an alternate test date will be required to affirm in writing that they have not discussed the examination content with any individual. Alleged violations of examination security will be investigated and, if verified, will result in disqualification.

Candidates will normally be examined on the following Monday morning. However, arrangements may be made to administer the examination on another date.
