
GIS DATA AT OTSEGO COUNTY

PARCEL BOUNDARIES (with derived district maps): \$135 or \$5 per town/village, \$25 city
Boundaries with parcel number and minimum attributes; 1:4,800; 1:2,400 scales; updated continually; yearly roll years also available.

Parcel records are also distributed from the Otsego County IT Dept if entire attribute dataset is requested; when only a small portion of the attribute dataset is requested, it can be provided with the map boundary file.

AERIAL PHOTO FILES: \$1.00 per file copied
2006 2ft resolution color (entire county one MrSID file), USDA AFPO.
2005 2ft resolution panchromatic (1ft color in the City of Oneonta), NYS CSCIC.
2001 2ft resolution color infrared (1ft color in City of Oneonta), NYS CSCIC.
1995-1997 USGS 10 meter resolution color infrared (one large mosaic)

MUNICIPAL BOUNDARIES: \$10.00
With name, population 1990, population 2000; 1:4,800 scale

SCHOOL DISTRICTS: \$10.00
With name and population 2000; 1:4,800 scale

VOTING DISTRICTS and Polling Places: \$15.00
With voting district stats, census summaries; 1:4,800 scale

EMERGENCY SERVICE ZONES: \$10.00
With name, code number, population 2000; 1:4,800 scale

ROADS/HWY/STREETS: \$135 or \$5 per town/village, \$25 city
New E911 readdressing for geocoding and emergency dispatch operations; includes name, right/left address ranges, right/left town, street owner, street type, one ways, comments; 1:4,800; 1:2,400 scale
Current developments to road attributes include intersection types, speed zones, one-ways, traffic/load restrictions, bridge/overpass information. Contact GIS office for expected dates of completion.

INFRASTRUCTURE: \$10.00 per layer
This includes bridges, railroads, transmission lines, gas pipelines, substations, communication towers kept updated continuously as needed; 1:4,800 scale.

HISTORIC DISTRICTS: \$10.00
Based on parcel data and district description, 1:4,800 scale; all districts and buildings/sites listed by the NY State registry.

EMPIRE DEVELOPMENT ZONES: \$10.00
As defined by the Otsego County Economic Development Office and approved by NYS; 1:4,800 scale.
