

WORKSHOP

NYSERDA Understanding Wind Energy in Your Community

Learn about wind energy basics and the processes and regulations, along with other important siting considerations.

When: Wednesday, January 23rd, 2019
Time: 6:00 – 9:00 PM
Where: Guilford Town Hall
223 Marble Road Guilford, NY 13780
RSVP: by Monday January 21, 2019
Please call Guilford Town Clerk Gail Hoffman
at (607) 895-9966 or email
guilfordtownclerk@gmail.com

****Please check the town website at guilfordny.com for workshop and weather announcements or tune into WCDO.****

How workshop information benefits your Community

The workshop helps local decision makers and community members understand wind energy development and navigate the most challenging siting considerations:

- Planning and zoning for wind energy systems
- Host community benefits and Payment-in-Lieu-of-Tax (PILOT), and Road use agreements
- Public Safety and community impacts such as noise, shadow flicker, environmental, and health
- Economic impacts including property value
- Siting wind energy systems on farmland
- Decommissioning wind energy systems

Free Technical Assistance

Access one-on-one technical assistance from a team of consultants to help meet your clean energy goals. We will work with municipalities to:

- Answer questions about clean energy
- Adopt a model wind and model solar law
- Update a comprehensive plan for clean energy
- Add solar and wind energy to zoning
- Improve the permitting process
- Adopt a Payment in-Lieu-of Tax agreement
- Determine an appropriate PILOT rate
- Help towns lease underutilized lands for solar energy
