

PUBLIC WORKS COMMITTEE
OBERACKER, MCCARTY, WILBER, FARWELL, LAPIN
February 7, 2018

HIGHWAY

Representative Oberacker requested approval to fill a vacant funded HMEO II position due to a promotion and to backfill any position that is vacated due to this promotion. Representative Wilber moved for approval. Seconded, Lapin. Total: 2,247; Ayes: 2,247. Motion carried.

Representative Oberacker requested approval to backfill any position that is vacated due to a promotion of an employee to the Garage Supervisor position if applicable. No action taken.

Representative Wilber stated that the county needs to revise their policy for filling of vacant funded positions to allow department heads to fill a vacant funded position without committee approval as long as the Personnel Officer and the Treasurer have signed off on the creation or change of position form.

There being no further business to discuss, the committee adjourned.
