STRATEGIC PLANNING

Representative Marietta distributed copies of the survey conducted to assess the departments that report to the Public Safety & Legal Affairs Committee (PS&LA). The Committee reviewed the outcomes, although not all department heads completed the survey.

Representative Lapin entered during the above discussion.

The Committee discussed the following, including but not limited to:

- re-surveying the PS&LA departments for feedback?
- strategic planning with the help of a County Administrator
- long term goal: possibly restructuring the Committees?
- the last Committee to survey is the Administration Committee

Representative Marietta said he would bring the Health & Education Committee draft plan to their next meeting and that he would bring a draft copy of the Administration Committee survey to the next Board meeting.

There being no further business to discuss, the Committee set the next meeting date for Monday, October 28, 2019 at 9:00am at the County Office Building and adjourned.
