

OTSEGO COUNTY TRAFFIC DIVERSION PROGRAM

The Otsego County District Attorney, in an effort to provide efficient and judicious service to motorists in Otsego County, has implemented this program to assist people who are seeking a disposition of their current vehicle and traffic violations. The successful completion of this program will result in the dismissal of your vehicle and traffic ticket(s).

The Otsego County Traffic Diversion Program is a program designed to protect the public, promote lawful conduct and reduce inefficiency in the criminal justice system in Otsego County without increasing cost to the taxpayers. The goals of this program are to:

- **Promote Safe Driving.** All participants in this program are required to complete a defensive driving course.
- **Promote Driver Financial Responsibility.** All participants must have a valid automobile insurance policy in effect to be eligible for this program, which will reduce the number of uninsured drivers in Otsego County.
- **Promote Efficiency in Prosecution.** This program is designed to free up valuable prosecution resources, thereby allowing the District Attorney's Office to focus on more complex cases. In addition, the program provides motorists charged with offenses an efficient means of disposing of their cases. Finally, as applicants pay for their participation in the program, it can be offered at no additional cost to the taxpayers of Otsego County.
