FOR IMMEDIATE RELEASE
COVID 19 Update
Otsego County Department of Health
December 13, 2020

27 new cases reported Saturday December 12, 2020
21 new cases reported today December 13, 2020.

As cases continue to be reported in high numbers, the public health department and contact tracers are overwhelmed. If you test positive isolate yourself and you will be contacted by the local health department. If you are notified that you have been in contact with a positive case please self-quarantine for 14 days. If you have been identified as a contact by the positive case you will receive a call from the contact tracers. This process may be delayed due to the volume of people needing to quarantine.

Current COVID numbers:

- 1588 total confirmed cases
- 170 active cases
- 16 hospitalized
- 8 deaths
- 768 probable and confirmed cases linked to SUNY Oneonta
- 71 confirmed cases linked to Hartwick College
