FOR IMMEDIATE RELEASE
COVID 19 Update
Otsego County Department of Health
December 21, 2020

25 cases reported today
17 hospitalized
1 death has been reported, this brings the total number of deaths to 11.

We continue to see a high number of cases reported per day. Many of the cases are related to community spread such as small household gatherings, community events & bars. Anywhere you are gathering without a mask and in close proximity to others puts you at increased risk for illness. If you develop symptoms self-isolate and stay home.

The health department's webpage has been updated to include the daily numbers and a graphic of active cases and cases reported per day. Please go to https://www.otsegocounty.com/departments/d-m/health_department/covid19.php for daily updates. Press releases will be sent out when there is new information, for daily updates please refer to the website.

Current COVID numbers:

- 1742 total confirmed cases
- 129 active cases
- 17 hospitalized
- 11 deaths
