FOR IMMEDIATE RELEASE
COVID 19 Update
Otsego County Department of Health
December 7, 2020

22 cases reported today

There have been a cluster of 12 cases associated with the
Cooperstown Legion.

As cases continue to rise it is more important than ever
to practice the public health measures outlined below. We all need to do our part to reduce the
spread and protect those who are at high risk for severe illness, such as the elderly and
individuals with weakened immune systems.

- Please remember stay home if you are sick
- Wear a mask
- Wash your hands frequently
- Practice social distancing
- Limit social gatherings to less than 10 people or those who live in your house

Please remember symptoms of COVID can be very mild, such as congestion,
headache or runny nose. If you develop any symptoms please get tested,
isolate yourself and do not go to work.

Current COVID numbers:

- 1440 total confirmed cases
- 127 active cases
- 14 hospitalized
- 8 deaths
- 767 probable and confirmed cases linked to SUNY Oneonta
- 71 confirmed cases linked to Hartwick College

STAY HOME

STOP THE SPREAD
